Isabel

What do you usually eat? How often do you eat out? What's your favorite recipe? We want to hear from you!

In my family, we usually have a well-balanced diet. We eat vegetables, fruit, and grains every day. We eat chicken about three times a week, and we eat fish once or twice a week. We hardly ever have beef. We eat it once in a while at restaurants, but we don't eat out very often. We do have some special days, though. Once a month, we eat out with our children at our favorite Chinese restaurant. The dumplings are delicious! And my mom comes over and makes Mexican food twice a month.

Here's my favorite easy recipe:

Veggie Pizza

Get some Italian bread. Put vegetables on top. I use peppers, tomatoes, and onions. Then add cheese, and cook it in the microwave for one minute. Delicious!
