Introduction

New Round-Up Starter English Grammar Practice combines games and fun with serious, systematic grammar practice. It is ideal for young learners in the preliminary stages of English language learning.

Students see grammar points clearly presented in colourful boxes and tables. They practise grammar through lively, highly illustrated games and oral and writing activities.

New Round-Up is especially designed for different students studying English in different ways.

It can be used:

- in class with a coursebook. Students do both oral work – in pairs and in groups – and written work in New Round-Up.
- after class. The 'write-in' activities are ideal for homework. Students can practise what they have learned in the classroom.
- on holidays for revision. New Round-Up has clear instructions and simple grammar boxes, so students can study at home without a teacher.

The New Round-Up Teacher's Book includes a full answer key, quizzes, tests plus answer keys, and audio scripts of progress check listening tasks.

Every year, we take our things
And go on holiday
We go to the seaside
It's a lovely place to stay
We play on the beach all day
And we swim in the sea
Oh, we love our holidays

**We are swimming in the sea now
We are playing on the sand now
We are eating big ice creams now
Oh, we love our holidays**

Oh, we love our holidays
